## WHO WE ARE?

We are a dynamic team that offers innovative solutions to our customers with 10 years of experience in the Fair & Events Logistics sector.

We can offer international fair transportation services between almost every country in the world and Türkiye by road, air and sea transportation, and we can also provide project transportation and customs clearance services for out-of-gauge fair loadings.

While providing special solutions in line with the needs of our customers, we strive to put human relations at the core of our work.

We have the resources, technical knowledge and belief necessary to do our job in the best way possible in an ever-changing world.

# WHAT DOES FAIR TRANSPORTATION SERVICES INCLUDE?

Fair transportation services include providing transportation, customs clearance and all other logistics needs of various commercial and special events such as fairs, exhibitions, concerts and congresses. It is of great importance that these special services, which must cover all stages from A to Z, are offered from a single source and the customer has a single contact person.

# WE UNDERTAKE THE LOGISTICS BURDEN OF STAND INSTALLER COMPANIES.

We provide stand installer companies with a single source of transportation, customs clearance and delivery of all products and equipment they will use in national and international fairs from one point to another.

[www.veralog.com](http://www.veralog.com)

# WE ENSURE THAT THE EXHIBITION PRODUCTS OF DEFENSE INDUSTRY COMPANIES ARE AT THE DESIRED PLACE AT THE DESIRED TIME.

We receive the exhibition and promotional products of participating companies at national and international fairs from their addresses, clear customs and deliver them to the fair stands. If the products are sold, we pay the taxes and pick up the products that will be returned after the fair from their stands and deliver them back to their addresses.
